Recycling

The team composed a letter to Berkhamsted Chamber of Commerce requesting funding and /or sponsorship for new bins.

A plea was also added to the school newsletter for black bins and fruit and vegetable caddies.

The team was asked to remind all classes to empty the paper bins at the end of the day and deliver the fruit and vegetable caddies to Mr Bray.

Biodiversity

Mrs Lambert proposed that the team look at Biodiversity and the Great British Birdwatch this term, with a focus on promoting wild life in the school grounds.

Year 3 investigated how to make fat balls to feed the birds. The team proposed to make them at the next meeting.
