

# I talk in maths!

I know the answer is \_\_\_\_\_ because...

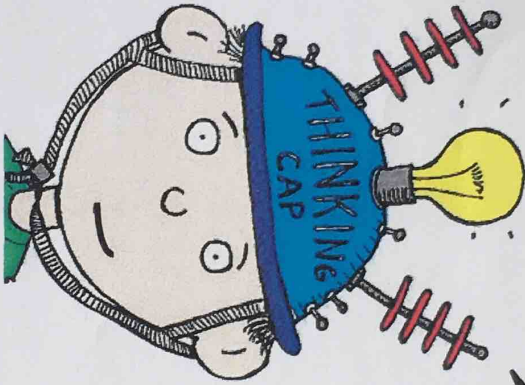

Can you prove that your answer is correct?

Can you explain how you got that?

How did you know which

How did you get your answer?

How did you know which operation to use?

What's your reasoning?

Why did you choose this method?

I want to add to what \_\_\_\_\_ said

I agree/disagree because...

Can you explain what \_\_\_\_\_ means?

Why is that the answer?
