Travel Ambassadors meeting

The WOW badges were counted and distributed.

The JTAs and some of last year's WOW monitors accompanied members of the Travel Forum to have their photos taken by the new traffic lights. We talked about how we can remind children to be careful when crossing at the lights, and they are going to create some posters to put up around the school.

We looked at ways we can encourage more children to walk to school, particularly as it is starting to get cold and wet. Living Streets have resources we could use to do this, and maybe before the end of term these could be distributed.

The JTAs talked about Park and Stride, as looking at who was getting a WOW badge prompted them to comment on who they knew didn't park very far away.

The WOW trophy also needs to be issued as soon as possible.
