

Sports Funding Action Plan 2016/17

Westfield Primary School

Subject: PE - Sports Premium 2016/17 - £9,030		P.E Subject Leader : Adrian Bethune(AB) Link Governor – Jo Head (JH) Sports Coach- Noah Jones (NJ) PE Level 5 STA – Helen Ayles (HA) PE Level 5 STA – Julie Huke (JH)		STA – Level 5 PE qualified Specialist Teaching Assistant	
Long term plan 2016 – 2017 To ensure that the funding is spent in a way that is sustainable. To ensure staff are well trained, meaning that they can carry on delivering high quality lessons in the future. Resources are purchased with the idea that they will be used effectively for many years. Pupils across the school feel confident, enjoy their PE lessons, have access to a wide variety of opportunities and can build on their skills. Provide more opportunities for cross curricular clubs and intra / inter school competition. Actively encourage all children to be active on a daily basis.				Key- Green - achieved action Yellow -ongoing action Red - to be actioned	
Sustainable Sports Premium At Westfield we are determined to ensure every child leads a fit and healthy lifestyle and so their engagement and enjoyment of sports provision and PE lessons is crucial to that. Our school offers a broad and diverse range of sporting opportunities (before, during and after school) to ensure that all children have the ability to find an activity they will enjoy and can succeed in. Each year we aim to build on the successes of the previous year and raise the profile of sport within our school. We also take advantage of the many offers of free, high-quality sports coaching from external providers. Our use of the sports premium is sustainable due to: the number and breadth of staff trained to deliver high quality PE lessons; our introduction of Sports Leaders whose job is to give our pupils a voice about sport within the school and raise the profile and importance of sport; and our careful spending on equipment and resources only if it is durable and will have lasting benefit to our sports provision.					
Priorities 2016 – 2017 (1 year timescale) <ol style="list-style-type: none"> 1) To maintain the amount and range of cross curricular activities provided at school. 2) To utilise sports coach (Noah Jones) in delivering effective and successful PE lessons and school sport. 3) To embed the principles of mindfulness to support their well-being and how they can use it in sport. 4) To give as many children as possible experience of competing in inter-school competitions 5) To increase participation in intra-school competition. 6) To create Sports Leaders from Year 5 and 6 to support the promotion of sport within our school. 7) To embed the Daily Mile across the school to ensure every child participates and enjoys daily exercise. 8) To develop a healthy competitive element to our Sports Day in KS2. 					
Date	Target/action	Evidence of work	Intended Impact	Resources/co st	Impact / Evidence
