- 1 Welcome Karen who joined us today, she has a daughter in Reception.
 - 2 From the last meeting, we were going to look at new initiatives.
Car Share – a survey was conducted to see if there was any interest, there was none, so this will not be pursued at the moment.
 - 3 Cycling initiatives – to encourage more cycling for the Big Pedal ask the children to wear something bright, bling your bike, or wear something green. This is something we'd still try to organise. Holly suggested the winter breakfast could be incorporated with a “wheelie Wednesday” or something similar. **JT will confirm a date and HG could approach local companies for some sort of sponsorship.**
 - 4 A diary of events has been put together and will be displayed on the website. **JT to action**
 - 5 Year 2 scooter training has been arranged for 1 November, and Early Years Road Safety training for 3 November. Both courses are run by HCC free of charge. Reception parents will be invited to join the road safety training.
 - 6 We are in the final stages of working towards Gold for the STARS initiative. A hands up survey needs to be conducted, and travel also needs to be part of the school action plan. **JT to action**.
 - 7 The new families to school information has been sent out and a number of families have responded so hopefully we will continue to attract new members to the forum as well as the walking buses.
 - 8 The Walking bus is now being run every first Tuesday of the month. This is due to falling numbers. It is hoped that new members will join, if this happens the timings may be revised. The Scooter bus also has the same problem, so will now be running on the first Wednesday of the month. There are also issues with adult helpers.
