<p>Long term plan 2017 – 2018 To ensure that the funding is spent in a way that is sustainable. To ensure staff are well trained, meaning that they can carry on delivering high quality lessons in the future. Resources are purchased with the idea that they will be used effectively for many years. Pupils across the school feel confident, enjoy their PE lessons, have access to a wide variety of opportunities and can build on their skills both in and out of school. Provide more opportunities for cross curricular clubs and intra / inter school competition. Actively encourage all children to be active on a daily basis promoting a healthy lifestyle.</p>		<p>Key- Green- achieved action Yellow-ongoing action Red- to be actioned Plan will be reviewed at least termly</p>
<p>Sustainable Sports Premium At Westfield we are determined to ensure every child leads a fit and healthy lifestyle and so their engagement and enjoyment of sports provision and PE lessons is crucial to that. Our school offers a broad and diverse range of sporting opportunities (before, during and after school) to ensure that all children have the ability to find an activity they will enjoy and can succeed in. Each year we aim to build on the successes of the previous year and raise the profile of sport within our school. We also take advantage of the many offers of free, high-quality sports coaching from external providers. Our use of the sports premium is sustainable due to: the number and breadth of staff trained to deliver high quality PE lessons; our introduction of Sports Leaders whose job is to give our pupils a voice about sport within the school and raise the profile and importance of sport; and our careful spending on equipment and resources only if it is durable and will have lasting benefit to our sports provision. Through this plan we will address the key Dfe indicators as stated below:-</p> <p>Dfe Key Indicators for evidencing the impact of the Sports Premium</p> <ol style="list-style-type: none">1 The engagement of all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day at school.2 The profile of PE and sport being raised across the school as a tool for whole school improvement.3 Increased confidence, knowledge and skills of all staff in teaching PE and sport4 Broader experience of a range of sports and activities offered to all pupils5 Increased participation in competitive sport		

Priorities 2017 – 2018 (1 year timescale)

- 1) To maintain the amount and range of cross curricular activities provided at school. **Key Indicator 1,4**
- 2) To utilise sports coach (NJ) in up skilling staff in delivering effective and successful PE lessons and school sport. **Key Indicator 1,2,3,4**
- 3) To embed the principles of mindfulness to support their well-being and how they can use it in sport. **Key Indicator 1 & 5**
- 4) To increase the number of children competing in inter-school competitions. **Key Indicator 2 & 5**
- 5) To ensure every child participates in intra-school competitions termly. **Key Indicator 1 & 5**
- 6) To appoint Sports Leaders from Year 5 and 6 to support the promotion of sport within our school. **Key Indicator 1,2 & 5**
- 6) To continue the Daily Mile across the school, and introduce a ‘marathon’ wristband incentive, to ensure every child participates and enjoys daily exercise. **Key Indicator 1 & 2 & 5**
- 7) To continue to foster a healthy competitive element to our Sports Day in KS2. **Key Indicator 1 & 5**
- 8) To introduce two new sports to Westfield, Basketball and Table Tennis and to purchase and install outdoor table tennis tables and Basketball Hoops and associated equipment. **Key Indicator 2, 4 & 5**
- 9) To audit sports equipment and make additional purchase where necessary. **Key indicator 1 & 2**
- 11) To ensure a wide variety of inspirational professional sports people come and visit Westfield to promote sport and reinforce our school value and our growth mindset ethos. **Key Indicator 2, 4 & 5**
