

TURN PIZZAS INTO PCS!

Make mine a mozzarella with pineapple and microchips! Just by going shopping with supermarket vouchers you can raise **FREE** money for our children at Westfield to buy much-needed ICT equipment... because the supermarkets give us **FREE** money back! For example, for every £100 spent, Westfield will receive up to £8 for **FREE**. It's the easiest way we can all raise **FREE** money for our school.

Please return this form with your cheque to the W1SPA box outside the office and you will receive your vouchers very soon at morning drop-off.

Please indicate below if you want a regular monthly order. To pay via Internet Transfer please tick the box below and we will contact you directly to set it up.

Please make cheques payable to "Westfield School Association"

In the meantime, happy shopping!!
