### **2 Plans for the forthcoming year:**

Obviously, the last year has been difficult due to Covid restrictions and although we are now planning events, we must be aware that there might still be some restrictions.

Plan to focus on events that are fun for the children and then some evening events for the adults with caution. We have also learnt that there are lots of small ways that we can raise money.

Flic discussed the option of applying for grants for larger projects.

**3. Election of new committee:**

Sianne Plenderleith resigned as Chair. Angharad Harrison was nominated to Chair.

Gina Shelton was nominated as Treasurer.

Emily Perks was nominated to continue as Secretary.

In all cases voting was unanimous in their favor.

Thank you for Sianne for all her hard work over the last two years during these difficult times.
