## A message from Miss Leach...

Our first full week of 2024 has been a busy one with parent update meetings taking place, the presentations from which will be available after the meeting. Don't forget to return the signed home school agreements as soon as possible.

Nursery tours will start on 23rd January. If your child starts nursery class in September 2024 and you would like to come and see what happens in EYFS, please contact the office.

Following our light touch of snow earlier in the week, we have a mixed weather forecast coming up for the week ahead. If there are any changes to the school day because of the weather - we will keep you updated via text and/or the website.

Have a good weekend,  
Miss Leach

## A message from Miss Slade

I'd like to introduce myself as the schools Special Educational Needs Coordinator (or SENDCo for short).

My role is to oversee and co-ordinate the support and provision for the children in our school who have special educational needs and disabilities (SEND).

I work closely with parents, teachers and teaching assistants to ensure that we are doing our best in supporting children with SEND in meeting their next steps, and I also co-ordinate any external professionals who may come in to support your child in school.

We hold paramount that you as parents know your children best, so should you have any concerns about either your child's social, emotional and mental health needs, or their learning needs, then please share these concerns with your child's class teacher in the first instance.

## Useful websites

## What are the 4 areas of SEND?

In the SEND Code of Practice, there are four broad areas of special educational needs, that should be identified and focused on within educational settings.

The four main SEND areas are:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health difficulties
- Physical and/or Sensory Needs

It's not always as easy as fitting into one area - sometimes children have multiple needs. Contact your child's teacher if you need to know more

We always welcome suggestions and work in a solution focused way.

## Diary Dates and Spring Term Class Newsletters

A list of key dates for the Spring & Summer term is being sent home today along with the Spring term class newsletters.

### IMPORTANT REMINDER – WE ARE A NUT-FREE SCHOOL

Can we please remind you we are a nut free school so please can we ask that there are no nuts or nut products in lunch boxes or brought into the school as treats or snacks. For example:

- Packaged nuts
- Peanut butter or chocolate spreads containing nuts
- Cereal, granola or chocolate bars containing nuts
- Cake or biscuits containing nuts
- Peanut-based sauces like satay
- Any food made with sesame seeds (which can cause a similar allergic reaction)

The above list is not exhaustive. If you are sending your child to school with food such as a snack or a packed lunch, please check the ingredient lists carefully.

Both children and adults with severe nut allergies can suffer from life-threatening reactions if they eat, smell, or touch any foods containing nuts.

We would be grateful for your cooperation in helping to keep all our pupils, staff, parents and visitors safe and remember not to send children to school with food which contains nuts or nut products. Thank you.

## Cold Weather Clothing Reminder

With the colder weather upon us, we would just like to remind you to make sure that your child wraps up warmly and wears a warm coat, hat and gloves to school each day. Please also ensure that all articles of clothing are clearly labelled with your child's name especially school sweat shirts/cardigans and coats as it does make returning lost property much easier. Thank you.

All children in Reception, Year 1 and Year 2 are entitled to receive a Universal Infant Free School Meal however unless you register with us, the school will not receive the funding.

**We ask ALL families (irrespective of their income status) to register their child to receive a meal.** It's quick and easy and only has to be done once and if all families register, the school will not miss out on additional funding entitlement. To register, please visit [www.hertfordshire.gov.uk/freeschoolmeals](http://www.hertfordshire.gov.uk/freeschoolmeals) Thank you.

## The Big Ambition – Have Your Say!

The Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Ambition, a national survey of children and young people across England.

The Big Ambition aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

**The closing date for the Big Ambition survey is Friday 19<sup>th</sup> January 2024.**

**The Big Ambition is open to children and young people in England aged 0-18 years old.** The survey takes around **10 minutes** to complete and can be completed on mobile phones, tablets, laptops and computers.

The survey can be completed here: [www.childrenscommissioner.gov.uk/thebigambition](http://www.childrenscommissioner.gov.uk/thebigambition)
