A message from Miss Leach...

I wanted to start this week by saying thank you for continuing to support us here at Westfield. We have felt particularly supported by the uniform and attendance improvements that we have seen this term, as this has a knock-on effect on the learning of our children. As you are aware, being in school every day is vital to raising attainment and outcomes, and uniform expectations ensure that children feel a sense of belonging to the school community and that there is a positive attitude toward learning across the school.

Thank you also for signing and returning the home-school agreements. The children seeing us all working together with positive and open communication gives them a clear message that we are all on the same team—they are, after all, at the heart of everything that we do. If you haven't already signed these, could we please ask that you return them as soon as possible to the office so that we can work with the children to sign them too.

Have a good weekend,
Miss Leach

LEADERSHIP CORNER

A message from Mrs Ramm

I'd like to introduce myself as the History/Geography coordinator. I ensure that the subjects of History and Geography dictated by the curriculum are covered in school in an engaging, fun and stimulating way.

History especially has started off in a big way at Westfield with some exciting events that have already taken place.

We launched History last term with an assembly on Black history month in which children have discovered some famous Black people that have affected us and our lives.

I am looking forward to sharing information with the children about women's history month which will be celebrated in March.

Topic 1

Let's find out what each year group has been getting up to:-

Reception - have enjoyed looking at themselves and their own personal history through their family and extended family.

Year 1 - Have been looking at toys they play with now in comparison to those that they played with as babies. They particularly enjoyed looking at old baby toys.

Year 2 - have been comparing toys in the 1960's to that of toys of today. They really enjoyed inviting grandparents to bring in their old toys and talk about them. What a treat!

Year 3 - Travelled back in time to Celtic Harmony and explored how stone age people lived.

Year 4 - made a visit to the Verulamium Museum and explored some roman artifacts from old pots to toilet paper!

Year 5 - have been discovering if the story of the trojan horse is based in truth or a myth.

Year 6 - have explored the British Empire and how it expanded across the world. They have been imagining themselves as traders and have played a game like that of risk.

Topic 2

What are we going to learn this term, lets go and find out:-

Year 1 - are going to compare the lives and work of three brilliant nurses, Florence Nightingale, Edith Cavell and Mary Seacole

Year 2 - they will find out 'Why Charles goes to prison?' Can't wait to find out!

Year 3 - Will be learning about the bronze age and will do some smelting. This is when tin and copper are heated together to make bronze.

Year 4 - will be investigating the Anglo Saxons.

Year 5 - will be discovering the ancient and intriguing world of Chinese dynasties.

Year 6 - will be looking at the golden age of Islam in Baghdad.

Attendance – Every day at school counts!

Attendance & Number of Late Arrivals: 8 th – 12 th January 2024						
Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
97.44%	95.65%	97.78%	95.19%	97.24%	87.65%	89.53%
4	15	5	6	2	6	7

Our target is 95%. Being in school each day, if well, gives your child the best chance of learning and making good progress both educationally and socially. Please support the school by ensuring that your child attends school regularly and arrives ready to learn and on time. Thank you
