A message from Miss Leach...

Welcome to the summer term!

This half term we are exploring the value of perseverance, and what it means to our every day life in and around school.

There are lots of things happening this term for wider enrichment- the mini marathon being the start of our summer sports this morning. Thank you to everyone's' encouragement and support, and thanks to Mr Gilbert for setting the marathon scene this week for us in assembly. If any parents are running the London marathon on Sunday – Good luck and please let us know!

Have a good weekend,
Miss Leach

Online Safety News

Keeping children safe online

A Parent's Guide to Safety and Privacy Settings

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

Big Battery Hunt Campaign

We have joined up for the Big Battery Hunt 2024. This is a nationwide battery recycling programme for schools funded by Duracell. Its aim is to increase the number of batteries currently being recycled in the UK.

Pupils are challenged to collect as many batteries as they can, encouraging their communities to do the same.

The more Batteries we collect the more chance the school has of winning some amazing prizes including £3,500 towards outdoor equipment, Nintendo Switches, and more! Thank you for your support.

Westfield Mini Marathon – Well Done!

Thank you and congratulations to all those who took part in Westfield's mini marathon this morning. Everyone showed fantastic focus, determination and most of all, brilliantly positive encouragement for each other to reach 2.6 miles.

Thank you in particular to those family members who came to support and participate today. Your presence was such a great boost for all the children.

Years 1, 2 and Reception have also been working towards 2.6 miles throughout this week which is incredible so a huge WELL DONE to you all too.
