## Attendance – Every day at school counts!

Attendance & Number of Late Arrivals: 25 <sup>th</sup> – 29 <sup>th</sup> September 2023						
Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
96.2%	92.94%	91.03%	91.4%	96.55%	88.45%	92.61%
0	4	0	4	1	1	2

**Our target is 95%. Being in school each day, 91.03% if well, gives your child the best chance of learning and making good progress both educationally and socially. Please support the school by ensuring that your child attends school regularly and arrives ready to learn and on time. Thank you**

## Reporting Absences

Please can we remind you that if your child is going to be absent from school for any reason please make sure you:

- inform the school office as soon as possible
- inform the school on each day of the absence
- provide a reason for the absence rather than saying 'unwell/won't be in today'

Every half-day absence (known as a session) has to be classified by the school as either authorised or unauthorised. This is why a clear explanation about the reason for absence is always required. This also helps us to track and monitor any sickness patterns in classes. Thank you for your support.

## Change to the lunch menu on Monday 9<sup>th</sup> October

On Monday 9<sup>th</sup> October, the red lunch choice has changed to 'Veggie meatballs in a bolognese sauce'. Please note this change of menu is for next week only.

## Headlice

We have had a few cases of headlice in school over the last couple of weeks. Please can we ask that you check your child(ren)'s hair regularly and treat accordingly. If we notice live headlice on a child in school we will call you to come and collect them so that you can treat at home and your child can then return to school. Thank you for your support.

## Parent Consultation Meetings

Our first Parents' Evening Consultations of the year take place on Tuesday 17<sup>th</sup> October (4pm – 7:10pm) and Wednesday 18<sup>th</sup> October (3:30pm – 5:30pm). ## Free Childcare Parental Survey

The government has recently announced that they intend to expand the offer of free childcare for working parents to children aged from 9 months to 3 years old.

The rollout of the offer will be phased over the next couple of years as follows:

April 2024 – 15 hours free childcare will be available to eligible working parents of two year old children from April 2024

September 2024 – 15 hours of free childcare will be available to eligible working parents of children aged from 9 months

September 2025 – 30 hours of free childcare will be available to eligible working parents of children aged from 9 months

For more information please visit <https://www.childcarechoices.gov.uk>

**To be eligible parents/carers must meet the following criteria:**

Both parents/carers are working (or the sole parent/carers is working in a lone parent family), and each parent/carers earns, on average, a weekly minimum equivalent of 16 hours at National Minimum Wage or National Living Wage (£167 per week) and less than £100,000 per year. Working includes both employed and self-employed.

Every Local Authority has a duty to ensure there is enough childcare in their area to meet parental demand. This consultation will provide vital information to ensure that Hertfordshire has sufficient childcare options in place to be able to deliver the additional free childcare from April 2024.

This survey is aimed for expectant parents and parents with children under 3.

## The Big Ambition – Have Your Say!

The Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Ambition, a national survey of children and young people across England.

The Big Ambition aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.

The Big Ambition survey will be open until Friday 15th December.

The Big Ambition is open to children and young people in England aged 0-18 years old. The survey takes around 10 minutes to complete and can be completed on mobile phones, tablets, laptops and computers.

The survey asks for information about the person responding, the child's age, and what school they attend. There is also an option to complete an easy-read version with larger text. The questions are slightly different depending on the age of the child answering, but, everyone is asked what they think the Government should do to make children's lives better.

The survey can be completed here: [www.childrenscommissioner.gov.uk/thebigambition](http://www.childrenscommissioner.gov.uk/thebigambition)
